

Technolas Perfect Vision to Present at the 29th Annual J.P. Morgan Healthcare Conference

Munich, Germany, January 10, 2011 - Technolas Perfect Vision GmbH today announced that the company CEO, Dr Kristian Hohla, will present at the 29th Annual J.P. Morgan Healthcare Conference on Wednesday 12th January, 2011 at 9.00am. Technolas Perfect Vision is a cataract and refractive laser company at the forefront of providing advanced ophthalmic laser treatments for presbyopia.

J.P. Morgan's Healthcare Conference, the industry's largest, includes over 300 presentations from both public and private companies, with over 4000 investors attending the meeting. The conference is being held at the Westin St. Francis Hotel in San Francisco, from 10th- 13th January, 2011.

About Technolas Perfect Vision GmbH

Technolas Perfect Vision GmbH (TPV) is a leading ophthalmology laser company, formed through a joint venture between Bausch + Lomb, and 20/10 Perfect Vision AG. TPV has a full range of expertise in both femtosecond and excimer businesses, with many innovations focused on the correction of presbyopia.
